

FUNDRAISING INFORMATION

Pizza Joe's, Inc. has been a leader in providing profitable fundraising products throughout Western PA and Eastern OH for over 30 years. We've supported many schools, churches, youth athletic teams and organizations with quality products and ideas for raising money. We offer a wide range of quality products; and we guarantee timely service for your program. When planning a fundraising effort, give us a call so that we can show your organization the quality benefits of using Pizza Joe's.

Getting Started

When you are ready to begin your fundraiser, start the process by calling Pizza Joe's at the number listed below. You will then be asked which product line(s) you would like to sell and how many members in your organization will be selling. This allows us to supply you with the correct type and quantity of our order forms. You will then choose the timeframe for your sale. We will help you decide how many days to allow your sellers to complete the sale.

Delivery Date & Time

It is very important to reserve a delivery date and time of delivery as soon as you know when and where you would like the product to be delivered. Because all of our fundraising products are made to order and only a limited amount of product can be produced each day, it is necessary to reserve dates and times on a first come, first serve basis.

Order Placement

Order totals must be placed at least ten business days prior to the delivery date. Your PJ Fundraising Contact will provide you with additional time and contact information. We will make every attempt to add on to an order if the request is made within a reasonable amount of time. It is not always possible to add to orders.

Order Payment

All orders are to be paid upon delivery to Pizza Joe's. Contact information is listed below. Payment information will be provided by your PJ Fundraising Contact.

Sales Tax

Per tax law, you will be charged sales tax on your order. There are, however, certain groups and organizations that can claim exemption from Sales Tax. If your group qualifies for exemption according to the PA or Ohio *Sales and Use Tax Exemption Certificate*, and has a valid licence, permit or exemption number, please fill out and return the completed certificate to Pizza Joe's (Store Name). If you do not qualify, no form is necessary.
